NOVEMBER NEWSLETTER 2025

What is a Health Neighbourhood?

The Peace Country Health Neighbourhood brings together a group of people who want to improve access to local / regional health care in Northwest Alberta. We are “grassroots” in origin, we help to bridge the gap between medical health and social / community health. We aim to improve health experiences through sharing knowledge and raising awareness of community needs.

Qu'est-ce qu'un Voisinage santé?

Le Peace Country Health Neighbourhood rassemble divers organismes afin d'améliorer les soins de santé primaires pour les populations du Nord-Ouest de l'Alberta. Issu d'une initiative communautaire, ce réseau contribue à combler l'écart entre la santé médicale et la santé sociale.

Son objectif est d'améliorer l'expérience de santé des membres de la communauté en partageant les connaissances et en les sensibilisant aux besoins de la communauté.
